

**Cedar Park Renovation
COMMUNITY MEETING #1 NOTES**

Thursday, February 27, 2014 – 6:30p – 7:45p
Lake City Presbyterian Church,
3841 Northeast 123rd St Seattle, WA 98125

This is the first of two community meetings for the Parks and Green Spaces Levy Improvement project at Cedar Park. Parks staff presented the goals and site analysis for the renovation project. Community attendees were allowed to interact with staff during the presentation on questions and comments. Parks will compile all input from the community to inform the design concept for the renovation of the play area and park. The final design meeting will present the concept plan on May 14th, 2014 .

Parks will coordinate with Seattle Public Schools on the construction schedule to minimize impact to use of Park during the construction window between January – August 2015

Meeting Comments:

Play Area:

- Consider Tween and Teen Demographic in play elements
- Incorporate themes (Traditional, Nature and Modern)
- Maintain the character that currently exist
- Imagination areas for exploration
- Natural area
- Muscle development elements for those 7-12yrs
- Exploratory play for tots
- Enjoys existing play equipment
- Retain Swings in the design
- Visual aspects of equipment should be considered (nothing too Loud in color)

Other:

- East Slope vegetation – include native plants
- Maintain the rocks within the parks
- Retain passive areas for adults
- Review Drainage in open lawn
- Define School recess hours and hours open to general public

Budget:

The total budget for the improvements is \$500,000 for the Park. Funding is made available through the 2008 Parks and Green Spaces Levy Inflation Adjustment Fund. The project budget cover all costs associated with the project including administration, design, permits, bidding and construction.
